

Colo-NESCO BOOSTER CLUB

The Colo-NESCO Booster Club is reaching out to our district's families and businesses in the hopes of raising donations to be used for the 2023-2024 school year.

Last year the Boosters gave back over \$21,000 in fund requests to the Colo-NESCO school district. These requests went to help all the classes, organizations and sports teams of Colo-NESCO.

Some of the requests that the Boosters funded for the elementary were: weighted blankets, donations to Literacy and Math night, paid for field trips, bean bag chairs and gave for reading incentives.

For the middle school, junior high and high school the Boosters paid for band supplies and judges, flags, hotel for FCCLA and money for the science department.

For sports the Boosters bought uniforms for the high school and junior high teams, football pads, paid for a shooting clinic, streaming of district games, team meals, pole pads, pitching mound and paid for hotels for team camps and scholarships.

The Boosters also gave money for Prom, After Prom, Hall of Pride meal, the musical and play, software for a graphics creator, and drinks, candy, popcorn, shirts and other novelty items to be used as needed.

The Colo-NESCO Booster Club is a non-profit, volunteer organization that supports all programs at Colo-NESCO. The goal of the Booster Club is to promote school spirit, both at the schools and throughout the surrounding communities. We do this by raising funds through donations and running the concession stand at all home sporting events, plays, musicals and band and music contests. All the money raised will be given back to the students and staff of the Colo-NESCO school district.

Your donation will be recognized in the "Royal Family" section of all hand-out bulletins and on fliers during the school year. Donation levels (per year) are as follows:

- Silver Sponsor: \$600 and up
- Blue Sponsor: \$250-\$599
- White Sponsor: \$100-\$249
- Family Sponsor: up to \$99

Please show your support for Colo-NESCO students and athletes through your donation. We can all be proud of their accomplishments and our connection with the Colo-NESCO school district.
